ORIGINAL JOURNEYS SINCE 1947

Africa will change you! Its remarkable wildlife and beautiful landscapes draw you in and the warmth of its people will never let you go. My most recent safari was filled with heart-pounding up-close game drives combined with a spur of the moment soccer match with kids from a local school. Gorgeous scenery, abundant wildlife and welcoming people make a journey through Africa an exceptional life experience... experiences we've been providing for more than 60 years.

Our small group size of "Never More than 16 Guests" is the key to an exceptional Africa experience. Our luxurious small camps and intimate lodges will captivate you with their award winning fine dining and attentive service in wildlife rich locations. The well-honed skills of our knowledgeable and sensitive expert guides will make your safari unforgettable. We also offer a wide range of Private programs that will delight even the most seasoned Africa travelers by drawing on our vast experience across this fascinating continent.

We look forward to sharing with you the joy of Africa with our lighter footprint on a beautiful part of our world.

Cordially,
